

## ***Kristen Baldwin***

Ms. Kristen Baldwin currently serves as Assessment Manager of the OSD sponsored Tri-Service Software Assessment Initiative. Ms. Baldwin graduated from Virginia Polytechnic Institute with a Bachelor of Science in Mechanical Engineering and subsequently earned a Masters in Systems Management from Florida Tech. She began her career in the design and acquisition of weapons and ammunition for the Army at Picatinny Arsenal. She has since broadened her career with a position as a technical advisor in the Army's Training and Doctrine Command and then at the Headquarters of the Army's Deputy Chief of Staff for Operations and Plans where she helped oversee the \$1B spent annually by the Army in Science and Technology. She began her work with the OSD's Director for Test, Systems Engineering and Evaluation in 1998 and has managed the software initiative since its inception.
