DISC4: One Voice for the Army

Information Technology Acquisition ODISC4

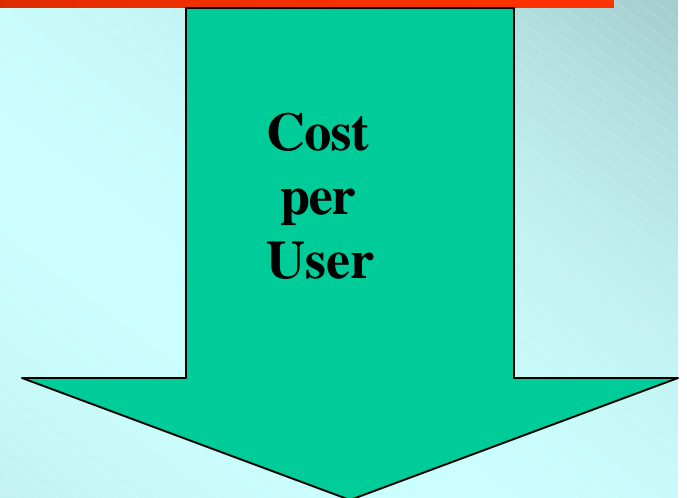

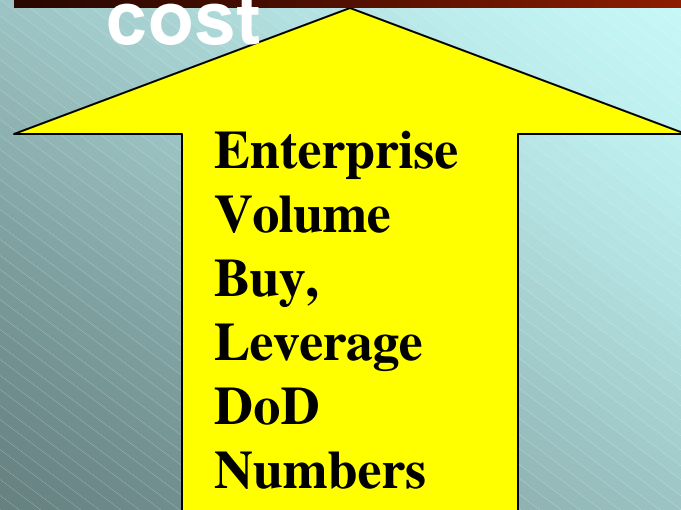

Provide direct acquisition support to the DISC4 as the Military Deputy to the Army Acquisition Executive (AAE) for C4/IT and as the Army's Chief Information Officer. Provide software policy support to the DISC4 as the Army's Enterprise Architect. Provide principle Army subject matter expertise for C4/IT acquisition and software policy to DoD and Joint Service Councils and OIPTs. Provide internal technical acquisition support to the DISC4 staff.

ESI Vision & Goal

- 1998 CIO INITIATIVE
- Vision: *faster, better, cheaper* mission support
- Goal: point & click software shopping at lowest cost

Driving Force

- **High software cost drove CIOs into action**
- **Private Sector Success Through Volume**
 - over 90% savings
- **1998 CIO Off-Site Action Plan/Goals**
 - Obtain buy-in
 - Reduce cost
 - Provide best, flexible software suites
 - Create funding incentives
- **Steering Group and Working Group Created**

Team Composition

Participating Organizations

OSD

Dept of the Army

Dept of the Navy

Dept of the Air Force

DLA

DISA

DIA

NIMA

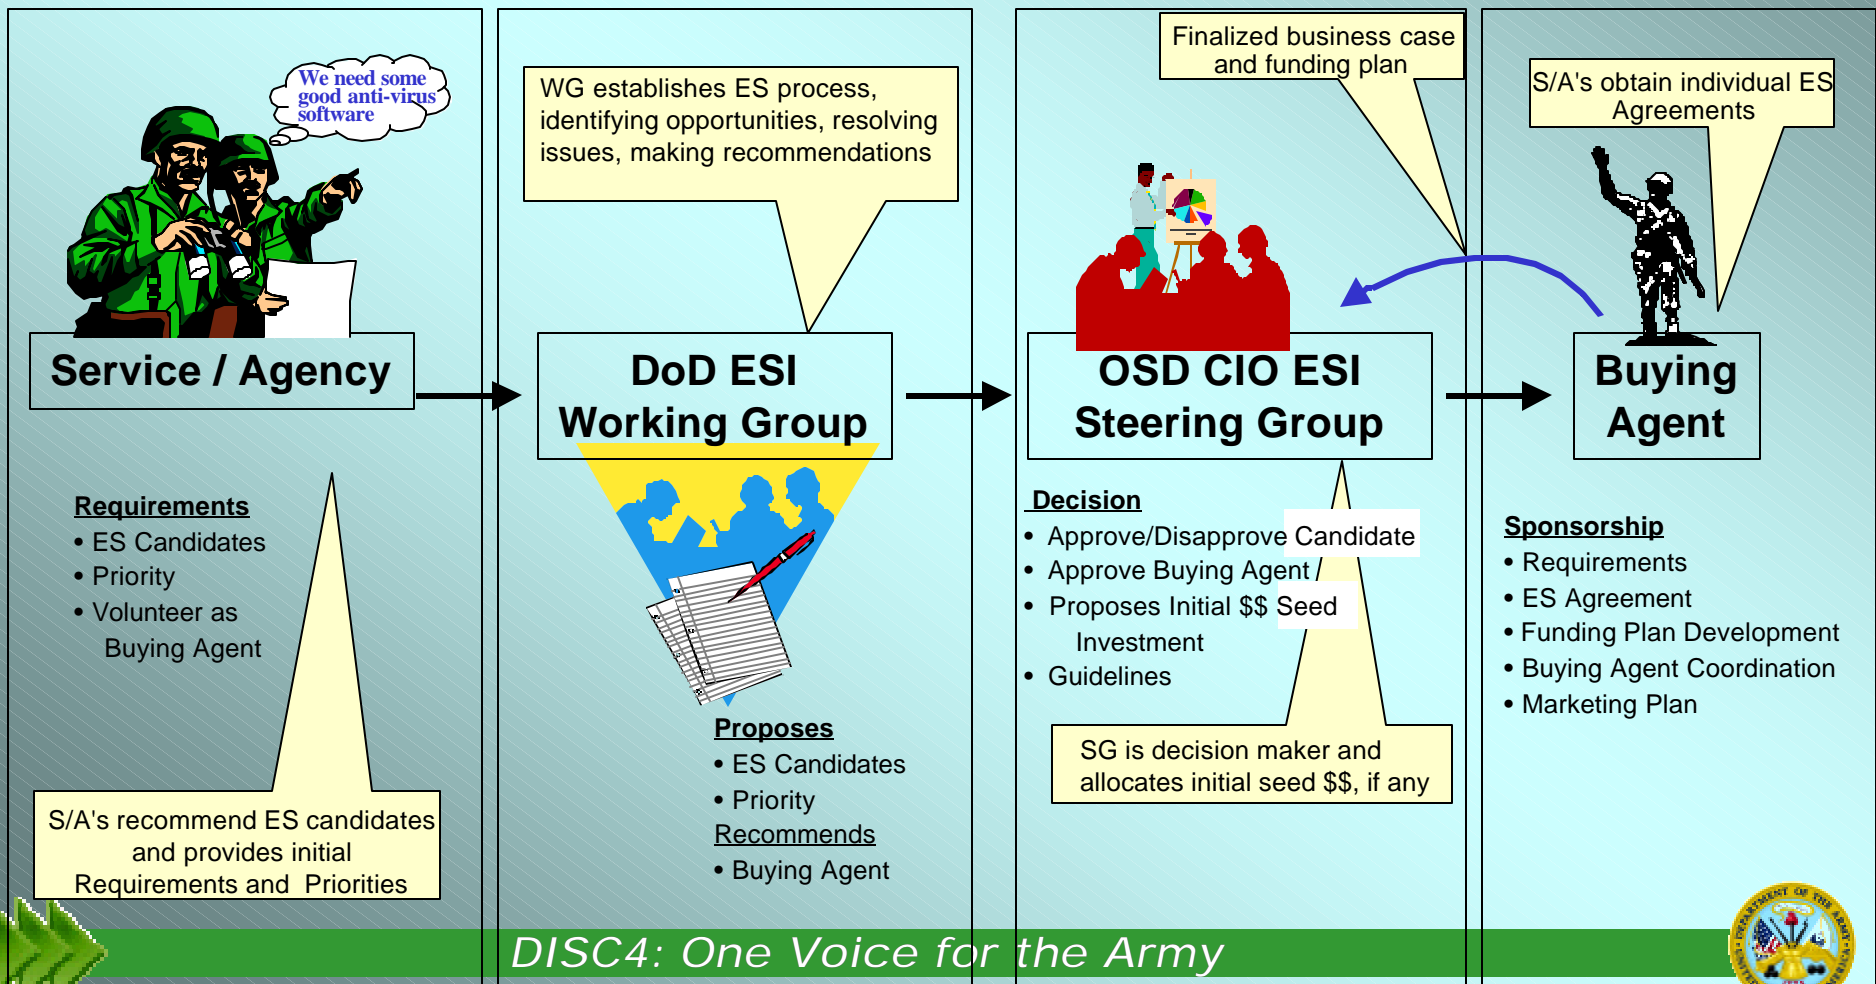

NSA

**Federal Information Resource Managers
(IMRCO) 1999 Award for Excellence**

How The Enterprise Software Initiative Works

Two-Phased Strategy

- **“Quick Hit” Agreements - Near Term**
 - ESI jump start
- **E-Mall - IT Corridor**
 - ESI long haul
 - **Software - IT commodities - IT services**

Quick Hits

- **60-80% solution - accept risk**
 - volunteer lead agents
 - avoid unproductive overhead (exhaustive data calls)
- **PBD 426 Empowering Service use of the Working Capital Fund**
- **Use up-front funding to obtain best deals**
- **priority to installed base**
 - flexibility for future
- **share results - identify lessons learned, best practices**

Army Managed Enterprise Agreements

Databases: DoD ESI Agreements (Army Lead)

- Oracle BPA with Spot Quotes
- Informix “Gold Disk,” Now BPA
- Sybase “Gold Disk”

Savings:
28% to over
90% off GSA
Schedule!

Internal Army ESI Agreements:

- Tivoli **Future DoD Lead Air Force**
- Computer Associates **Future DoD Lead Air Force**
- Parametric Technology Corporation
- Jet Forms
- Microsoft desktop applications, **Navy Lead for Servers/SQL**

WARNING!

BUYER BEWARE!!

- **What is the “REAL” Final Price – With All the Extras Included?**
 - Added Shipping Charges – Remote/OCONUS
 - “Taxes”
 - Functional Software Loads
 - Any Charge if I Move the Equipment Later?
- **How Long is Your Warranty Period?**

- **SCP Standards:**

- 3-5 Years
- On-Site
- 2 Days to Repair

- **GSA Standards:**

- 1 Year or Less
- Mail Back
- 7-14 Days to Repair/Mail

DISC4: One Voice for the Army

SCP ID/IQs and BPAs are Compliant with DoD and DA Policies

- **Defense Information Infrastructure (DII)**
 - **Common Operating Environment (COE)**
- **Technical Architecture Framework for Information Management (TAFIM)**
- **Joint Technical Architecture-Army (JTA-A)**
- **DoD Directive 5200.28 Security Requirements for ADP**
- **Executive Order #13103** **Re: Computer Software Piracy**

Procurement Vehicles

- **Indefinite Delivery/ Indefinite Quantity (ID/IQ) Contracts**
 - Full and Open Competition
- **Blanket Purchase Agreements (BPA)**
 - GSA Schedule is the Base Source
- **Enterprise License Agreements (ELA)**
 - Normally BPAs
 - Customer Focus: Army Only or DoD-Wide
